Applications are NOW OPEN for the 2017 LEAP International peer-shadowing program for Principals, Deputy-principals, Directors and non school-based personnel. The program involves hosting an international colleague for a two-week leadership program in July; and being hosted by that international colleague (in their location) for a reciprocal two-week program in the September school holidays.

Applications are invited for matches with educational leaders at the same level from Canada (Ontario, British Columbia, Alberta and New Brunswick), England, Scotland and Finland. Application forms can be downloaded from the LEAP website (www.aleap4principals.com.au) and should be submitted by February 28th 2017.

Visit the website for information about the program and testimonials from previous participants. Please note that 2017 will be the final opportunity to participate in the Ontario peer-shadowing program.
